

DECISION

DP2018-058

Intersection of Spring Creek Drive and Main Street

**Development Permit – Monument Sign – Variance to Signage Area, Height, Number of Signs,
and Landscaping**

Appeal Against a Refusal by the Canmore Planning Commission

THE BOARD THEREFORE ORDERS THAT

DP2018-058 is not a valid Development Permit on the basis that it was a Town of Canmore project and a wayfinding sign on municipal property. In both cases a Development Permit is not required, therefore DP2018-058 is not a valid permit.
