Contents

1.0 Population Statistics

- Highlights
- Population Growth
- Population Distribution
- Age / Gender Distribution
- Occupant Status Distribution
- School Grade Distribution
- Child Care information
- Mother Tongue Distribution
- Employment Information
- Length of Residency
- Previous Residence

2.0 Housing Statistics

- Tenancy Status
- Dwelling Unit Types
- Single Family Dwellings
- Occupancy Rates

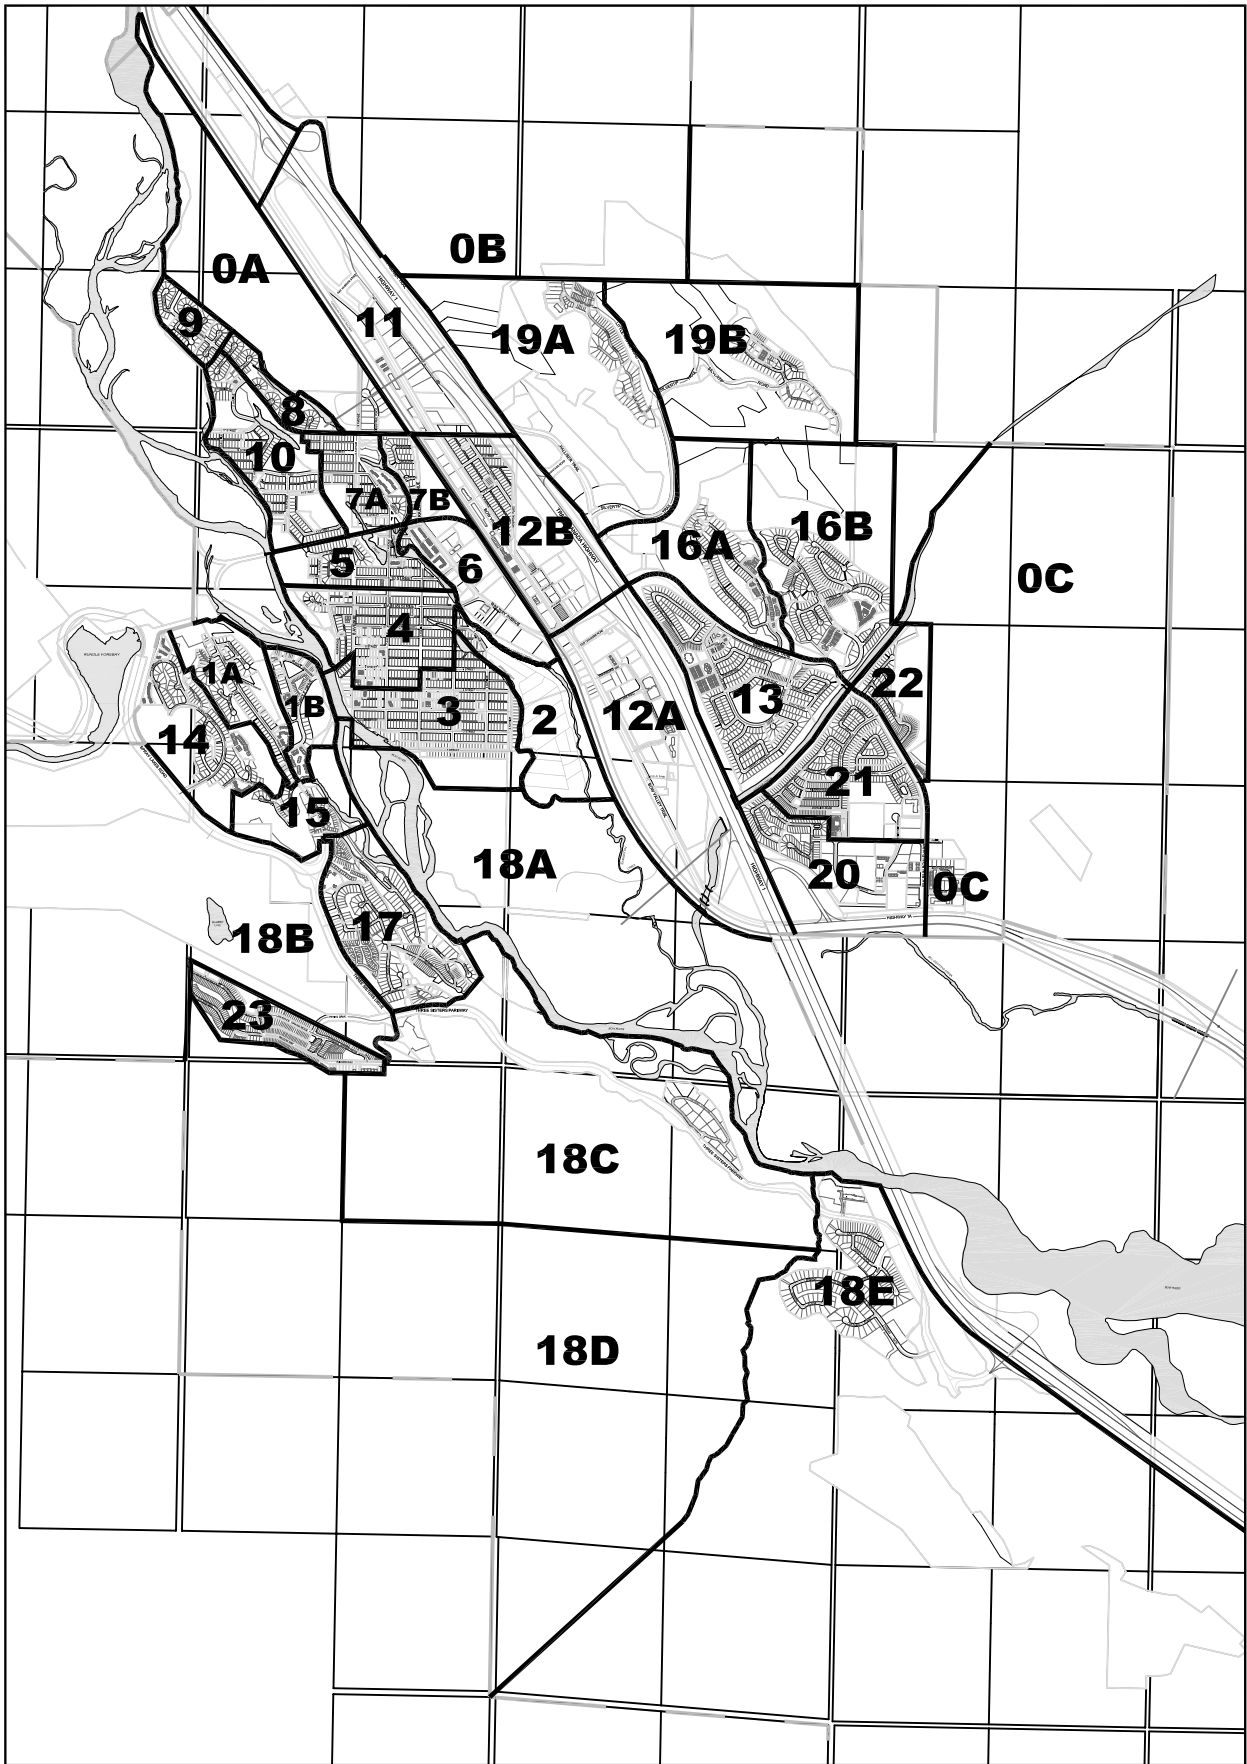

3.0 Single Parent Household Statistics

- Number of Single Parents
- Age of Single Parent Children
- School Grade Distribution of Single Parent Children

4.0 Comparison of Census Results From Previous Years

5.0 Non-Permanent / Weekend Resident Statistics

6.0 Population of Dogs and Cats

Appendices

Appendix A - Status Definitions

Husband / Male Head - a married man or common-law partner, or a male single parent or a male head of a household. (e.g. widower with a boarder or a relative residing with him)

Wife / Female Head - a married woman or a common-law partner, or a female single parent or a female head of a household. (e.g. a widow with a boarder or a relative residing with her)

Children all persons less than or equal to 16 years of age, including:
-Those individuals who are older than 16, are living as dependants of their parents currently enrolled in any educational institution (including SAIT, business college, apprentice program university, etc.)
-Those who may not be members of the immediate family but who are dependent nevertheless (including nephew / niece, grandchildren, foster children, adopted children).

Lodger / Boarder - an occupant who may or may not compensate the owner for allowing him / her to live in their dwelling unit.

Room-mates - occupants who are sharing a dwelling unit regardless of whether the dwelling unit is owned or rented.

Single Person Household - one person living alone. It does not refer to an individual's marital or parental status.

Relative - an occupant who is not a member of the immediate family, yet has a family affiliation, (e.g. mother-in-law, grandfather, etc.) but not a niece / nephew or a grandchild who would have child status. This would include sons or daughters who are no longer attending school, yet live in their parent's dwelling unit.

Appendix B - Education Definitions

Post High School - those children attending a post secondary school institution (e.g. college, university, internship).

Child Care Outside Home - a pre-school child in a baby sitting service outside their own home on a regular basis.

Pre-school at Own Home - a pre-school child who is cared for in his / her own home by a parent, nanny, baby sitter or relative.

Developmentally Challenged - a child with a learning disability participating in an educational program outside the mainstream curriculum.

Appendix C - Examples of Employment Types

Agriculture and Forestry - livestock, field crop, horticultural specialties, veterinary, crop dusting, logging, forestry services.

Mining and Oil Industry - mining, quarries, sand and gravel pits, contract drilling, service industries to oil and gas industry (e.g. pipe companies).

Construction - building, developing and general contracting, industrial and heavy construction industries, trade contracting industries, service industries, incidental construction.

Transportation, Communications and Utilities -

Transportation - air transport, pipeline transport, storage and warehousing
(e.g. grain elevator industry, refrigerated warehousing), etc.

Communication -radio broadcasting, courier services, etc.

Utility - TransAlta, gas distributing, etc.

Retail and Wholesale Trade - distribution and commercial outlets for the selling of a product (e.g. stores, gas stations, bulk dealerships, home sales, privately operated post offices, etc.)

Finance, Insurance and Real Estate - banking, mortgage companies, consumer and business financing, intermediary industries, investment companies, insurance companies, real estate operator industries.

Professional Services - computer services, accounting and bookkeeping, advertising, architectural, engineering and other scientific and technical services, lawyers, etc.

Government - federal government services, provincial and local government services, international government services.

Education, Health and Social Services -

- Education - elementary and secondary education, post-secondary education, nursery school, child day care, library services, museums, etc.
- Health - hospitals, homes for nursing care, services for the physically or mentally handicapped, ambulance services, doctors, nurses, medical labs., etc.
- Social - welfare services, family planning, meal services, etc.

Accommodation, Food and Beverage Industries -

- Accommodation - hotels, motels, bed and breakfast establishments, camp grounds, trailer parks, recreation and vacation camps, etc.
- Food and Beverage - restaurants, take-out food services, eateries, taverns, bars, night clubs, etc.

Personal Services - theatre and staged events, commercial spectator sports, sports and recreation clubs, amusement services (e.g. bowling alley, amusement parks), barber and beauty shops, laundries and cleaners, funeral services, religious organizations, political organizations, any type of repair services (e.g. automotive services, appliance repairs, shoe repairs), etc.

Appendix D - Dwelling Type Definitions

Single family dwelling - is a single detached building containing one dwelling unit only and used exclusively for the residence of not more than one family

Single family dwelling with a suite - is a single family dwelling designed to contain one primary dwelling unit and one secondary suite under one title used exclusively for the residence of not more than one family per dwelling unit

Accessory suite - is an ancillary, self-contained dwelling unit located in a structure in which the primary use is a single family dwelling unit. A secondary suite has an entrance separate from the entrance to the primary dwelling unit, either from a common indoor landing or directly from the exterior of the structure. Note: This use class does not include duplex housing or apartment housing, where the structure was initially designed for two or more dwellings.

Duplex unit - is two dwelling units with a shared wall.

Townhouse - means a single building comprised of three or more dwelling units separated from each other by walls extending from foundation to roof, or are located totally or partially above another dwelling unit, with each dwelling unit having a separate, direct entrance to the ground. This

includes all row, linked, stacked, patio, garden court or other housing which meet these criteria. A townhouse development may consist of a group of buildings each of which contains three or more dwelling units.

Apartment building - means a single building comprised of three or more dwelling units with shared entrance facilities from a common hallway or landing.

Mobile home - are those not on permanent foundations (Restwell). Grotto Mountain is considered single family homes

Institutions – Hospitals, nursing homes etc. where there are no separate cooking facilities.

Other - a dwelling unit that does not fit into the above categories. This includes recreational vehicles, a hotel or motel used as a residence, a tent, etc.

Tenancy Status

Tourist Home means a dwelling unit operated as a short term or short stay visitor accommodation unit, rented to or occupied by a visitor or guests for a period of less than 28 days and not intended to be used for residential purposes.

Non Permanent Tenancy Status

Own- the resident has self-categorized as owning the unit

Rent- the resident has self-categorized as renting the unit (not to be confused with vacation homes).

Unknown- we were unable to speak to anyone at the domicile to get self-categorizing info. Other sources identified the domicile as a weekender home.
